Section 3: Supplemental Outreach Activities

1. Training regarding equal employment opportunities and discrimination prevention

The station provides on-going training to all station personnel, including those at management level, designed to ensure equal employment opportunities and to prevent discrimination and harassment.

2. Staff Training

The station has a policy of promoting from within and therefore offers many internal cross training opportunities. The training programs are designed to enable station personnel to acquire skills that could qualify them for higher level positions.

April 2019: Promoted part time master control operator to full time master control operator

On Air Notice: Organizations that regularly distribute information about employment opportunities to job seekers or refer job seekers to employers may request WSWG to provide them with information about full-time openings at the station. Such requests must include the organization's name, mailing address, email address if applicable, telephone number and contact person, and identify the category or categories of job openings for which it requests notices.

Requests should be directed to
